PEDICURES

Straight Up Pedicure 28

Enjoy the pedicure comes with nail shaping, cuticle care, sea salt, lotion massage and the application of polish of your choice.

Margarita on the Beach Pedicure 38

One can take it as a classic pedicure except the ingredients use lime footbath, a lime-base massage oil, salt scrub, and ending with lime-scented moisturizer, hot towel and choice of polish.

My sexy feet 48

Lavender sea salt scrub to exfoliate and provide better circulation, and remove dead skin. Massage oil applies to reduce the fine line and wrinkles. Lavender foot mask with hot towel will apply for better penetration of the oil. Paraffin treatment for cracked and dry heels then polish of your choice.

Cucumber Martini Pedicure 60

Discover nature’s most soothing botanicals with treatment refresh and renew. Antioxidant vitamin A and E. Come with special: sugar scrub, mask followed by a soothing hot towel wrap and lotion. Collagen socks for firming skin and younger looking feet. Also, hot stone massage for better circulation and polish of your choice.

The DOC Pedicure 70

Signature Pedicure uses all organic ingredients, includes natural detoxifying sea salt soak, callus treatment, lemongrass sugar scrub for eliminating toxins from the skin, reducing redness and inflammation, restorative and hydrating moisture mask and massage cream. Collagen socks for firming skin and younger looking feet plus hot stone massage for better circulation.
